

IPL INTERNATIONAL SUMMER SCHOOL

IN SCIENCE AND ENGINEERING IN FRANCE

LYON, MONDAY JUNE 11 TO FRIDAY JULY 13, 2012

Contacts

CPE Lyon

Ecole Supérieure de Chimie Physique Electronique de Lyon
43 Boulevard du 11 Novembre 1918 - BP 82077
69616 VILLEURBANNE Cedex
Pr Anthony SMITH
Tel : +33 (0)4 72 43 17 30
Mail : smith@cpe.fr

ISARA Lyon

Institut Supérieur d'Agriculture
et d'Agro-alimentaire Rhône-Alpes
23 rue Jean Baldassini – 69364 LYON Cedex 07
Maleena CAVERT
Tel : +33 (0) 4 27 85 86 64
Mail : mcavert@isara.fr

ITECH Lyon

Institut Textile et Chimique de Lyon
87 Chemin des Mouilles – 69134 ECULLY Cedex
Nathalie PINTON
Tel : +33 (0)4 72 18 01 72
Mail : n.pinton@itech.fr

ECAM Lyon

Ecole Catholique d'Arts et Métiers
40 Montée St Barthélemy – 69321 LYON Cedex 05
Lisa VERGARA
Tel : +33 (0)4 72 77 06 71
Mail : lisa.vergara@ecam.fr

**Enjoy a truly international experience in a French Grande Ecole!
Improve your French language proficiency and your scientific knowledge at the same time.**

The IPL International Summer School gives you a unique opportunity to settle in the French academic environment and also to meet students from all over the world. The 5-week programme, jointly organised by the four IPL engineering schools, offers scientific courses in English as well as French language classes. The Summer School also aims to give all participants an opportunity to discover different facets of life in France both in Lyon and the Rhône-Alpes Region through organised excursions.

ONLY LYON 

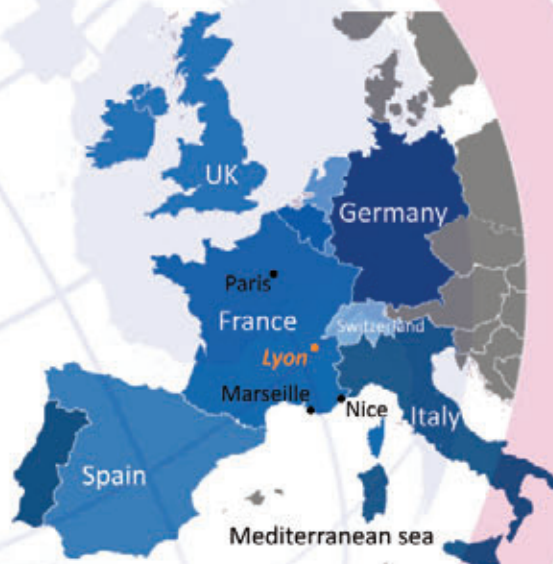

Comments of past participants :

“Best summer I have ever had. I plan on recommending this program to everyone in my University.”

“I have had a wonderful five weeks and I will always treasure my experience here. After this program, I definitely plan to return to France in the future! Thank you for the memories!”

“Awsome experience, really enjoyed spending time with the French students.”

What does the programme contain ?

36 hours of French Language instruction according to entry level: beginner, intermediate, advanced. Scientific courses in the specialities of the IPL engineering schools, industrial visits and cultural outings. Scientific courses will be offered **in English** in the following topics :

CPE Lyon : Practical courses in chemical engineering or chemistry : experiments involving organic synthesis, analytical methods, distillation, stirring, pressure drop, liquid-vapor equilibrium, precipitation and kinetics.

ECAM Lyon : Short conferences and original practical courses on the theme of the conversion of energy : solar cell, fuel cell energy, wind energy, electrical to mechanical and reverse by electric motors. Case studies and personal work on these themes.

ISARA-Lyon : Discover French agriculture and sustainable farming systems. Develop basic knowledge on agroecology concepts and practical introduction to agroecology and sustainability applied in agriculture. Scientific courses, case studies, personal work.

ITECH Lyon : Discover an original and practical approach of Polymer and Material Sciences engineering : practicals on paint, adhesive and cosmetic formulation, textile dyeing and weaving process, leather and plastic.

Who is it for ?

Undergraduate students in Science and Engineering.

What will you get from the Summer School ?

It is a wonderful opportunity to get to know France and its culture. You may then want to come back for a full semester in one IPL school. 6 European Credits (ECTS) upon successful completion of the programme.

Where will you stay ? In a residence hall close to ISARA Lyon.

When does the Summer Session take place in 2012 ?

The programme begins on **Monday June 11 and ends on Friday July 13.** Arrival on **Monday June 11** and departure on **Friday July 13.**

How much does it cost ? 1700 € including all classes, 5-week accommodation in a residence hall, all visits and social events.

When and how to register ?

By March 15, 2012. Please complete the registration form on the dedicated web site. Upon confirmation of admission, payment instructions will be given to you.
